

# TRACKER 1215 (CARRY 107)

GAS OR ELECTRIC POWERED TRACKED MINI-DUMPER

## A COMPACT, YET POWERFUL TRACKED DUMPER BOASTS A 13HP HONDA ENGINE

The Tracker 1215 mini-dumper is the ultimate 1-person ride-on hauler. Designed with a compact 30" width to fit through the narrowest of backyard gates or interior doors. While conventional buggies and tracked machines do not offer an extendible undercarriage, the rubber tracks on the Tracker 1215 can extend from 30" to nearly 42" in width to provide the added stability required on challenging job sites with hills and uneven slopes, plus the extended track provides added protection to lawns and floors, preventing unwanted damage. Available in both gas and lithium powered configurations.

### SAFETY AND STANDARDS

The Honda engine is low noise, which meets established noise pollution standards. The engine is mounted on vibration dampers to significantly reduce the amount of vibration transmitted.

### EASY TO USE CONTROLS

Uncluttered, convenient, and intuitive controls allow for easy 1 person operation. The surrounding grab bars provide the operator added safety when driving and a convenient armrest when idling.

POWERED by **HONDA**

### Technical specifications

	TRACKER 1215	TRACKER 1215E
Model #	5107001	5107003
Engine	Honda GX390, 13 hp	4 HP Electric
Machine weight	950 lbs.	1,315 lbs.
Operating load		1,543 lbs.
Payload capacity		11.6 cu ft
Speed	2.5 mph	2 mph
Max slope when empty		15° - 26%
Max slope when loaded		7° - 12%***
Ground clearance		4 in
Length		72 in
Height		44.5 in
Width		30 in
Start	Electric	N/A

# TRACKER 1215 ATTACHMENTS

## TRACKER 1215 - DUMPER ATTACHMENTS

### ACCESSORY KITS PROVIDE ADDED VERSATILITY AND ROI

The Tracker 1215 mini-dumper offers a full range of attachments that handle every aspect of material handling and multiple applications. Easily convert one machine into six different machines - including a Self-loading Shovel, Dump Platform, Concrete Mixer with Self-loading Shovel, Levelling Blade, and the Hi-Tip Bucket and Self-loading Shovel kit.

#### SELF-LOADING SHOVEL

1

#### DUMP PLATFORM

5

#### LEVELLING BLADE

2

4

#### HI-TIP BUCKET WITH SELF-LOADING SHOVEL

3

#### CONCRETE MIXER WITH SELF-LOADING SHOVEL

63" Unloading Height

## ELECTRIC

### SWAPPABLE LITHIUM BATTERIES

3 fast charging, high capacity lithium batteries.

### 6 SPEEDS (3X2)

Three electric speeds and two hydraulic speeds for maximum versatility

### DIGITAL DISPLAY

Shows battery levels and other diagnostic information from the machine.
