

Assembly Technician

Role: This role is focused on the assembly and preparation of equipment while supporting our licensed technicians.

Responsibilities:

- Perform assembly tasks on pumps and truck equipment
- Use hand tools, power tools, grinders, and torches safely and effectively
- Complete finishing tasks such as:
 - Applying decals/stickers
 - Cleaning and detailing trucks
 - Polishing and final touch-ups
- Follow instructions and complete assigned tasks from supervisors and licensed technicians
- Support the assembly team to ensure efficient workflow and high-quality output
- Maintain a clean and organized workspace

Qualifications:

- Mechanical aptitude and hands-on experience with tools (required)
- Welding certified with CWB – GMAW and FCAW preferred
- Experience in a manufacturing, assembly, or technical environment preferred
- Apprenticeship experience (e.g., 2nd–3rd year) is an asset but not required
- Ability to follow direction and work effectively as part of a team
- Strong attention to detail and commitment to quality
- Basic understanding of mechanical systems, hydraulics, or related technical fields
- Valid AZ, DZ, or AR-Z driver’s license (for assisting with vehicle delivery)
